AdmitRight

Powered by ◇ GradRight

Enroll Ideal International Students, *Predictably.*

The Challenge

Struggling with **unpredictable international recruitment** and **unqualified leads**? Need a **direct path** to genuine, **high-intent graduate applicants?**

The Solution

AdmitRight connects you to a **pre-vetted pool of 75,000+ high-intent international students**, delivering **qualified candidates** ready for your graduate programs.

AdmitRight Includes

SelectRight Student Access

Tap into our **exclusive network** of 75,000+ engaged, pre-vetted international graduate prospects.

Predictive Enrollment Insights

Utilize **data-driven targeting** to identify your best-fit students and improve recruitment efficiency.

Expert Candidate Qualification

Students are **matched and nurtured** against *your* specific program criteria and ideal student profile.

Transparent Progress Platform

Access **real-time data and analytics** to track candidate progress and optimize your admissions strategy.

Key Benefits

- Receive **qualified international admits,** not just a list of unvetted leads.
- Consistently **boost your international graduate enrollment** and meet program targets.
- Significantly **increase recruitment ROI** while improving your team's efficiency.
- Build **predictable, high-quality international cohorts** for enhanced campus diversity.
- **Reduce your admissions team's workload** by focusing only on pre-qualified candidates.

How AdmitRight Works

1. **Define your ideal international student cohort** in close partnership with our team.
2. Our team **identifies and nurtures** matched candidates from our SelectRight network.
3. You **receive student profiles** genuinely interested and qualified for your programs.
4. Your university then **admits and enrolls** your chosen best-fit international students.

Invest In Enrollment Success

Invest in **qualified admits** via our **shared-risk model,** reducing **financial uncertainty.**
